A delivery truck stops by a forest to change a tire; a big, friendly bear naps in the truck bed to awake in a big city with tall buildings and people everywhere. A boy and the bear meet at the corners of Beacon and Charles Streets, stroll by swan boats in a park, and ultimately find the lost bear's home through the public library (flanked by stone lions), and so the boy helps the bear return to his forest home. But . now the boy is lost, and it is the bear's turn to help the boy home . could it be to Boston's Back Bay?! Lovely story for young and old.
