Seeing, Knowing, Being: A Guide to Sacred Awakenings

By John Greer

True Compass Press, United States, 2012. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. Taoist sages and Sufi mystics to Christian contemplatives and contemporary Zen masters know that the real work of self-discovery-and the answer to our suffering, emptiness, and loss of meaning-is learning to see in a different way. Explores the profound truth behind all the world's mystic traditions: Living a spiritual life has nothing to do with fixing ourselves. It is simply a matter of awakening to what we already are. This artful book traces the steps and stages of the delicate process of awakening in a unique and inspiring way. He also highlights over 100 evocative images and metaphors -- as varied and colorful as the sages themselves -- to kindle imagination and spark intuition-to shift perspective and into an awareness that no amount of explanation can achieve. When we put aside society's hand-me-down map of the mind, we can go to work, raise a family, take out the garbage and still experience the wonders and oneness of life with deep reverence, gratitude, and joy.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- **Beverly Hoppe**

Extremely helpful for all class of individuals. Better than never, though I am quite late in starting reading this one. I realized this publication from my dad and he suggested this ebook to discover.
