Excerpt: The Bill of Rights is the collective name for the first ten amendments to the United States Constitution. They were introduced by James Madison to the First United States Congress in 1789 as a series of legislative articles and came into effect as Constitutional Amendments on December 15, 1791, through the process of ratification by three-fourths of the States. The Bill of Rights is a series of limitations on the power of the United States federal government, protecting the natural rights of liberty and property including freedom of religion, freedom of speech, a free press, free assembly, and free association, as well as the right to keep and bear arms. In federal criminal cases, it requires indictment by a grand jury for any capital or 'infamous crime', guarantees a speedy, public trial with an impartial jury composed of members of the state or judicial district in...
