Outskirts Press, United States, 2010. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Joan writes this Taryn Family Biography as a template for anyone who wants to write a memoir about their lives and preserve their family s history. Each chapter tells different stories about her youth, working for IBM, being a flight attendant for American Airlines, meeting celebrities, designing and building homes in Hawaii and later investing, owning and managing real estate in California. In her own style, she writes a memoir with all the features of a novel, from interesting characters, a complicated plot dealing with childhood memories, prejudiced employment practices, deaths, drugs, depression, divorce, infidelities, and the consequences of choices along with wonderful escapades, successes, travels, happiness and grandchildren. Although the book reads like a fiction novel, the stories in each chapter are all true. For everyone who has given thought as to how to write a story about themselves and their relationships with family and friends should read this book. As the author states in her last chapter: Anyone Can Do It. At the back of the book there is an index to names of almost two-hundred SOMEONES to Remember; maybe you are one of them.
