ABC-CLIO, United States, 2008. Paperback. Book Condition: New. 235 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Toyota rose from the ashes of World War II to become, just fifty years later, one of the dominant automakers in the world. How did Toyota do it? How did it go from making cars that Westerners pointed to and laughed at to making cars, like the Lexus, that people now lust after? That's what this book is all about. As veteran writer K. Readers will learn what makes Toyota tick through Chambers's penetrating text, which: -Explains the importance of the company and the essential disruptions that changed business forever. In addition, Chambers offers special features that include a look at the colorful people associated with Toyota, interesting trivia, a Toyota time line, a focus on products, a look at how the company treats and trains its workers,...
